Fowler's Mill & Store

What a wonderful experience to see how grain from the fields is turned in various flours. You will find a preserved historic mill built in 1833. Learn about the updated milling equipment and stone grinding. Take time to shop in the MILLSTORE for over 30 flour products and much more.

The Depot

End your day with a hand dipped ice cream on us; from the restored drugstore soda fountain in this railroad museum. The former B&O Railroad depot was built in 1920.

Western Reserve Heritage Tour

Have a Yankee Tyme in Amish Country!

Century Village

Begin your trip down the path to the past with a tour of the Geauga County Historical Society's Century Village Museum in Burton, Ohio. This restored 1800s early Western Reserve Museum boasts five fully furnished homes, a church/meeting house, a one-room school house, blacksmith shop, the white barn, a Marshal's office, country store gift shop, plus more...

Burton Log Cabin

Come see how this little town makes maple syrup. This village taps 1200 trees in the spring to fill this cabin with maple syrup and candy to sell. While touring the log cabin built in 1931, you will learn about how the folks here have been producing the highest quality maple sugar products for over six decades. **Get a chance to take home some maple goodies for the road.**

Welshfield Inn

Enjoy lunch at this wonderful inn located in Geauga County. The menu will include a chopped salad, chicken breast medallions pan seared with capers, red onions, garlic, chardonnay & lemon herb butter, and wild rice blend. Hot and cold beverage served. Chef choice for desert. This beautiful Inn was built during the 1840s. Before the Civil War, the Inn was part of the Underground Railroad, caring for escaped slaves on their way to Canada.
